***Save the Date – January 21, 2024 – Special Vestry** – A Special Vestry meeting will be held on Sunday January 21 immediately following the 10am worship service. The purpose of this meeting will be to move that we pass an extraordinary resolution to appoint a CPA for a Review Engagement instead of an audit.

For background information, the Canons have recently been changed and we are now able to have a Review done of our finances rather than a full audit which will save both time and reduce costs for us. Vestry must approve this change as we need to put this in place before our regular Vestry meeting later in February. More information will be available at the meeting as well as an opportunity to ask questions. This will be the only matter discussed at this Special Vestry meeting and we anticipate it taking a very short period of time.

Vestry Reports Due Sunday, January 28, 2024 – Attention all ministry leaders. Vestry reports are due to the office no later than Sunday, January 28, 2024. Please email them to office@stmartinsanglican.ca. You do not have to wait until January 28, 2023 to submit the reports. Sharon will gratefully receive them as soon as they are ready. This will ensure that the vestry report is ready for distribution on February 11, 2024 after the 10:00 AM service.

Reports are included in the vestry report as submitted (not edited or changed by the office). Feel free to share your report with your ministry team for input and editing before submitting to the office. Any biblical quotes should be NRSV translation.

***Vestry – Save the Date – February 25, 2024** – Join us immediately after the 10:00 AM service for our annual vestry meeting. More details to follow.
